## IMPLEMENTATION OF SUSTAINABLE URBAN DEVELOPMENT GOALS IN TRANSPORT BACHELOR DEGREE

**Alecu Russo Balti State University announces the organization of a STUDENT selection contest for academic mobility within ISDEGO project under the erasmus+ program**

Department of International Relations invites students in the field of *0710.1 Engineering and management in automotive transport* to participate in the academic mobility program within the international project ISDEGO “Implementation of Sustainable Urban Development Goals in Transport Bachelor Degree” under the Erasmus+ program, co-funded by the European Union

The project aims to integrate the principles of SDG 11 – Make cities and surrounding areas inclusive, safe, resilient, and sustainable into all key bachelor-level disciplines in Transport Technologies at universities in Ukraine and Moldova.

More information: <https://www.isdego.eu/>

### **Mobility format:**

The program is implemented in two stages:

#### **Stage I – Online mobility (1.5 months): March 9 – April 17, 2026**

Online training based on modules developed by European partner universities, focusing on sustainable development and the achievement of SDG 11 “Sustainable Cities and Communities”.

#### **Stage II – On-site mobility (2 weeks): May 2026**

Practical traineeship at one of the EU partner universities:

- [University of Rome Tor Vergata \(Italy\)](#)
- [Transilvania University of Braşov \(Romania\)](#)
- [Maritime University of Szczecin \(Poland\)](#)
- [Hochschule Wismar – University of Applied Sciences: Technology, Business and Design \(Germany\)](#)

All mobility expenses are covered by the ISDEGO project under the Erasmus+ program.

### **Application package**

Applicants must submit the following documents in PDF format to [international.office@usarb.md](mailto:international.office@usarb.md) by **February 24, 2026**:
